

ABU DHABI CONTINENCE WEEK (ABC)

22nd - 28th March 2010

Sheraton Hotel and Resort, Corniche, Abu Dhabi, U.A.E.

http://www.skmc.gov.ae/ABU_DHABI_CONTINENCE_Week/index_2.htm

Tuesday, 23rd March 2010

1st Reunion of the Spina Bifida and Hydrocephalus Panel for the Gulf Area (WFNR)

(Chair: Dr. Mario Patricolo & Dr. Dominic Venne)

Wednesday, 24th March 2010

1st UAE Workshop on Spinal Cord Injuries

(Chair: Dr. Maher Mansour & Dr. Rida Baruni)

Wednesday to Friday, 24th to 26th March 2010

Bristol Urologic Institute Certificate in Urodynamic Course – Middle East

(for the 1st time in UAE)

(Chair: Prof. Sherif Mourad)

Saturday & Sunday, 27th & 28th March 2010

2nd UAE International Meeting Diagnosis and Treatment of the Neurogenic Bladder

(Chair: Dr. Atul Mehta)

2nd UAE Workshop on Spasticity and Neuro-rehabilitation (WFNR)

(Chair: Dr. Sabahat Asim Wasti & Dr. Khalid Mohmed)

1st UAE Workshop on Bowel/Bladder Management for Nurses and Families

(Chair: Miss June Rogers)

**In collaboration with The Emirates Medical Association
and the following:**

Saturday & Sunday, 27th & 28th March 2010

2nd UAE International Meeting Diagnosis and Treatment of the Neurogenic Bladder

(Chair: Dr. Atul Mehta)

International Invited Faculty:

- Prof. S. Mourad, Professor of Urology, Ain Shams University, Egypt
- Prof. G. Maira, Director of the Neurosurgical Institute, Polyclinic Hospital "A. Gemelli", University of Sacred Hearts, Rome, Italy
- Mr. I. Mustaq, Consultant Pediatric Urologist, Great Ormond Street Hospital for Sick Children, London, UK
- Mr. J. Lee, Consultant Urologist, St. Georges Hospital NHS Trust, London, UK
- Mr. Andrew Baird, Consultant Urologist, Aintree University Hospital and Royal Liverpool Children's Hospital Alder Hey, Liverpool, UK
- Dr. Giovanni Mosiello, Consultant, Pediatric Urologist and Neurourologist, Bambino Gesù' Children's Hospital, Rome, Italy
- Mr. Devesh Desay, Associate Specialist Urologist, Great Ormond Street Hospital for Sick Children, London, UK
- Mr. Patrick Duffy, Consultant Pediatric Urologist, Portland Street Hospital, London, UK
- Ms. June Rogers, Continence Advisor, President of PromoCon, Manchester Disabled Living, Manchester, UK
- Ms. J. Vickerman, OT Specialist, PromoCon, Manchester Disabled Living, Manchester, UK
- Ms. S. Keeble, Urotherapist, Portland Hospital, London, UK

ABU DHABI CONTINENCE WEEK (ABC)

22nd - 28th March 2010

Sheraton Hotel and Resort, Corniche, Abu Dhabi, U.A.E.

http://www.skmc.gov.ae/ABU_DHABI_CONTINENCE_Week/index_2.htm

Chairman's Invitation Letter

Dear Friends and Colleagues,

It is a great pleasure indeed, to announce the Abu Dhabi Continenence Week 2010, (ABC Week 2010). This scientific week, is part of a process started last year, with the 1st UAE International Meeting on Diagnosis and Treatment of the Neurogenic Bladder in Children and Adolescents and with the 1st UAE ICCS Basic Course on Urinary Continence in Children and Adolescents. The success of the two Events and the participation of Faculty and Delegates from all over the World, have stimulated the organization of the "ABC week".

Sheikh Khalifa Medical City with the cooperation of the Emirates Medical Association, of the Bristol Urological Institute, of the World Federation of Neurorehabilitation of PromoCon, and with SEHA (Abu Dhabi Health Services Company), has gathered an excellent Faculty of Experts, joining us from all over the World. The Faculty, the Moderators from the UAE, and the special and interactive support of all the Delegates, will allow a high-quality scientific week, in Abu Dhabi. We will have a chance to "meet and greet" on the 22nd of March evening. During the evening, after the welcome and formal opening of the ABC Week, the program of the Events will be presented. We will start our journey with the 1st Reunion of the Spina Bifida and Hydrocephalus Panel for the Gulf Area, to define standardized guidelines for the management of the conditions in all involved Countries.

The Bristol Urological Institute, Section for the Middle East, will bring to us the annual *Course: Certificate in Urodynamic*, for the very first time in the United Arab Emirates. Finally we will join the International Faculty of Experts, during the 2nd UAE International Meeting on the Neurogenic Bladder. Last year, we discussed this subject, circumscribing our interest to children and adolescents. This year we will focus also on the management of adult cases, with particular interest to the *Transition Area* and to *Transition Care*.

During the week, there will be plenty of opportunities to relax and unwind, after the scientific sessions. Abu Dhabi is the Capital of the UAE and is a beautiful City, for its heritage, its beaches and its shopping facilities. At one hour from Dubai, Abu Dhabi will certainly fascinate you and give you the flavor of Arabic life and culture.

Please contact us for any further query, regarding our Meeting.
Looking forward to seeing you in Abu Dhabi.

Mario Patricolo
Chair of ABC Week

ABU DHABI CONTINENCE WEEK (ABC)

Sheraton Hotel and Resort, Corniche, Abu Dhabi, U.A.E.

http://www.skmc.gov.ae/ABU_DHABI_CONTINENCE_Week/index_2.htm

Wednesday to Friday, 24th to 26th March 2010

Bristol Urologic Institute Certificate in Urodynamic Course – Middle East
(for the 1st time in UAE)

(Chair: Prof. Sherif Mourad)

Dear Friends and Colleagues;

I have the pleasure and honor to invite you to attend and participate in a very famous urodynamics workshop that will be organized in collaboration with The Bristol Urological Institute, Southmead Hospital, Bristol; under the supervision of "Professor Paul Abrams" the famous urologist and the Chairman of "International Consultation of Incontinence" (ICI) and who served as the general secretary of "The International Continence Society" (ICS) from 1985 to 2003. An expert team of doctors from UK will be escorting him to complete the course.

This workshop has been running successfully for the past years in Bristol (3 times/yr), Manchester (3 times/yr), London (2 times/yr), Newcastle (3 times/yr). The course was successfully held for the first time in the Middle East in Cairo, Egypt 2004. Then in Jordan 2005, Tunisia 2006, Egypt 2007, Syria and Greece 2008, Oman 2009. In 2010 we shall have a course in Abu Dhabi/UAE March 2010 and Hurghada/ Egypt on October 2010.

Please note that it is also registered by The International Continence Society as a recognized course and also accredited by the European Urological Association by 16 credit hours.

It is a 3-day course and is limited to 25 participants. The course is designed for those who are interested but not already experienced in the subject. The purpose is to evaluate the place of urodynamics in clinical urology and gynecology, including all cases of voiding dysfunction, incontinence, overactive bladder and neurogenic bladder.

The course is a combination of lectures using slides, PowerPoint or overheads, interactive discussion and practical video demonstrations. The course will include theoretical presentations that entitle all aspects of the urodynamic machines and how to operate and maintain it and the different applications of various tests including the simple and complex uroflowmetry including the video-urodynamics, the ambulatory and pediatric urodynamics. This will be followed by the practical part of using the machines with high technical training. So time is spent discussing the basic principles of urodynamics, setting up equipment, urodynamic techniques, interpretation of results and writing reports.

At the close of the course there will be a short multiple choice test. Those who achieve satisfactory marks will be awarded the Certificate in Urodynamics of the Bristol Urological Institute. Others who do not reach the required standard, or who choose not to participate, will be awarded a Certificate of Attendance.

Looking forward to seeing you , please accept my best regards
Sincerely,

Sherif Mourad, M.D.
Professor of Urology and Neurourology, Ain Shams University
President of the Pan Arab Continence Society
President of African Fistula and Continence Society
Middle East Administrator of the Bristol Urodynamic Course.

ABU DHABI CONTINENCE WEEK (ABC)

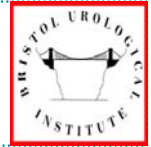

Sheraton Hotel and Resort, Corniche, Abu Dhabi, U.A.E.

http://www.skmc.gov.ae/ABU_DHABI_CONTINENCE_Week/index_2.htm

Saturday & Sunday, 27th & 28th March 2010

2nd UAE International Meeting Diagnosis and Treatment of the Neurogenic Bladder

(Chair: Dr. Atul Mehta)

1st Day – Saturday, 27th March 2010

8:30 **Opening Ceremony (A. Mehta, M. Patricolo)**

SESSION 1 Moderators: I. Mamon and A. Mohsen

9:00 **Lecture:** Management of the Neurogenic Bladder – Historical Perspective (*P. Duffy*)

10:00 **Lecture:** Urodynamic (*S. Mourad*)

10:45 **Coffee Break**

SESSION 2 Moderators: A.K. Saleh and G. Sleiman

11:00 **Lecture:** End-Stage Renal Disease and Neurogenic Bladder (*F. Lee*)

11:45 **Round Table:** Conservative Management of the Neurogenic Bladder
(*D. Desai, R. Bahroom, O. Al Masri*)

12:30 **Lunch Break and Prayers**

SESSION 3 Moderators: R. Baruni and M. Patricolo

14:00 **Lecture:** Biofeedback Pelvic Floor Training (*S. Keeble*)

14:45 **Round Table:** Sacral Nerve Stimulation (*G. Mosiello*)

15:30 – 17:00 **Parallel Free Oral Presentations Session** (Moderators: *G. Ionescu, W. Jaouni*)

WORKSHOPS

9:00 – 16:00 2nd UAE Workshop on Spasticity and Neuro-rehabilitation (Program TBD)

WFNR
World Federation for NeuroRehabilitation

9:00 – 17:00 1st UAE PromoCon – Manchester Disabled Living Workshop for Nurses and Families:
Management of the neuropathic bladder and bowel

PromoCon
Promoting continence and a product awareness

19:30 **Gala Dinner**

ABU DHABI CONTINENCE WEEK (ABC)

Sheraton Hotel and Resort, Corniche, Abu Dhabi, U.A.E.

http://www.skmc.gov.ae/ABU_DHABI_CONTINENCE_Week/index_2.htm

Saturday & Sunday, 27th & 28th March 2010

1st UAE Workshop on Bowel/Bladder Management for Nurses and Families

(Chair: Miss June Rogers)

1st Day – Saturday, 27th March 2010

Moderators: J. Rogers, L. Acorda, J. Vickerman, H. Beichert, L. Sebastian, E. Ahmed

- 9:00 Registration**
- 9:15 Opening Ceremony**
- 9:30 – 10:30 Overview of neuropathic bladder/bowel Investigations**
- Basic principles of urodynamics
 - The role of bladder scanning
 - Urinary flowmetry
- 10:30 – 10:50 Coffee Break**
- 10:50 – 12:30 Bladder Management**
- CIC/Mitofanoff
- Bowel Management
- Rectal washouts/ACE
- 12:30 – 13:30 Lunch Break and Prayers**
- 13:30 – 15:00 Continence Management at School**
- Dealing with the Adolescent!
- Transition to adult services
- Functional/environmental issues and continence
- 15:00 – 15:20 Coffee Break**
- 15:20 – 16:30 Managing the neuropathic bladder/bowel in adults**
- 16:30 – 17:00 Special Clinics for the Neurogenic Bladder and Other Voiding Dysfunctions**

ABU DHABI CONTINENCE WEEK (ABC)

Sheraton Hotel and Resort, Corniche, Abu Dhabi, U.A.E.

http://www.skmc.gov.ae/ABU_DHABI_CONTINENCE_Week/index_2.htm

Saturday & Sunday, 27th & 28th March 2010

2nd UAE International Meeting Diagnosis and Treatment of the Neurogenic Bladder

(Chair: Dr. Atul Mehta)

2nd Day – Sunday, 28th March 2010

- Session 4** Moderators: A. Schubbar
9:00 – 9:45 Lecture: Traditional Arabic Medicine (*I. Saleh*)
- Session 5** Moderators: M. Ziani and H. Matta
9:45 – 10:30 Round Table: Bladder Augmentation in the Botulin A Toxin Era (*I. Mushtaq, G. Mosiello, P. Duffy*)
10:30 – 11:15 Lecture: Sexuality Disorders in Neuropathic Patients (*A. Abdullah*)
11:15 – 11:30 Coffee Break
- Session 6** Moderators: S. Alouni and A. Elkholy
11:30 Lecture: Continent Urinary Diversion. What is the future? (*I. Mushtaq*)
11:30 – 14:30 Parallel Scientific Poster Exhibition and Question/Answer by the Authors
(Moderators: A. Al Gohary, M. Patricolo)
12:15 Round Table: Prevention (*A. Wasti, A. Schubbar, M. Patricolo, M. El Jack*)
13:00 Lunch Break and Prayers
- Session 7** Moderators: H. Hamdi, S. Abd Elsalam
14:30 Lecture: Tethered Cord (*D. Venne*)
14:30 – 16:00 Parallel Session of Free Oral Presentation
(Moderators: A.A. Mustafawi and ?TBA)
15:15 Lecture: Scoliosis and other Orthopedic Anomalies in Spyanl Dysraphism (*E. Rahall, M.J. Caron*)
16:00 Lecture: Neurogenic Bladder and Spinal Injury (*F. Lee*)
16:45 Round Table: Transition Care (*A. Baird, F. Lee, M. Patricolo, A. Abdullah*)
17:30 Closing Ceremony (*A. Mehta, M. Patricolo*)

ABSTRACT SUBMISSION DETAILS

Saturday & Sunday, 27th & 28th March 2010

2nd UAE International Meeting Diagnosis and Treatment of the Neurogenic Bladder

- Deadline for submission of abstracts is **15th February 2010**. We encourage early submission.
- An Accepted/Not Accepted email will be sent to the presenting Author by **20th February 2010**. **Submission will be accepted as email only** (mpatricolo@skmc.gov.ae; rpesarillo@skmc.gov.ae; mpidlaon@skmc.gov.ae).
- **No hard-copy submission will be accepted.**
- The abstracts have to be prepared with the format offered.
- Keep background and conclusions short, giving more space to the patients/materials, method section, and to the result section.
- Explain results, number of patients and statistical analysis clearly.
- Do not use abbreviations.
- Submit abstracts with all details of Author/s and Institution/s.
- State typology of the abstract: Surgical, Medical, Nursing, Physiotherapy, Urodynamic, etc.
- Forward the abstracts preceded by a cover sheet and containing telephone, fax, and email contact of presenting Author.
- The presenting Author should be underlined in the abstract.
- The abstract will be listed for presentation only upon receipt of registration, by the Presenting Author.
