

European Society for Paediatric Urology

Course in Paediatric urology Sept 18-19 2008, Cambridge

British Association of Paediatric Urologists
(BAPU) with
Educational committee of ESPU

The highly successful BAPU course is run on a yearly basis for all professionals interested in Paediatric Urology including Adult urologists, Paediatric surgeons and Paediatric urologists. The Educational committee of ESPU organises the annual course in different centres across Europe and its members are delighted to join forces with BAPU in 2008 and provide the expertise of lecturers from Europe. This joint venture promises to be very stimulating with good interactive discussion. Please register early to avoid disappointment as places are limited.

Nick Madden, President BAPU

Ramnath Subramaniam, Chairman, EC-ESPU
