The Kaetsu Centre, New Hall, Cambridge
21 - 22 September 2006

This international two day Course is an important core programme for specialist trainees in urology and paediatric surgery. It also offers a valuable update on current thinking and practice in paediatric urology for more experienced surgeons at consultant or equivalent level.

This Course covers the most important and topical areas of paediatric urology with didactic sessions, presentations of clinical cases, round tables and interactive discussions.

Speakers are nationally and internationally recognised authorities in paediatric urology, nephrology, oncology and radiology.

The number of participants is limited, so please reserve your place early in order not to be disappointed.

Course Fees:

Full Course fee including accommodation and all meals for two days £475

Full Course fee - non residential £425

Paediatric Urology Nurses Course including accommodation and all meals for two days £275
