Dear Colleagues and Friends,

We are delighted to welcome you to the 23rd Congress of the European Society for Paediatric Urology in Zurich, May 9 - 12th 2012.

Zurich is probably well known to all of you, but maybe, as an extra, you will have time to visit your “gold reserve vaults” situated behind the Bahnhofstrasse. Certainly there will be ample opportunity to sample a wide variety of cheese and chocolates and review our fine Swiss jewellery.

But foremost, we plan to continue the tradition of providing cutting edge and state of the art science. This will be combined with practical information for every paediatric urologist and nurse specialist. Let us have another enjoyable annual meeting in the beautiful country of Switzerland.

See you all in 2012 in the centre of Europe.
