General Instructions

Short Explanation on Abstract Sessions

Abstract sessions are interactive sessions that consist of poster and oral presentations. A poster presenter must put his poster on the assigned poster board in the ESPU Poster Area during the entire congress. During the session a poster-presenter present his or her abstract in a 3-minutes oral presentation followed by 3 or 2 minutes of interactive discussion with the audience.

Please note that moderators will be very strict with the time of presentations (3 min for poster).

Since we consider time for discussion as essential, you will be asked to conclude when your time is out. Abstracts will be presented in groups of 4–7, and then the discussion takes place with the presenters at the podium.
